PROFESSIONAL EXPERIENCE

HACKBRIGHT ACADEMY | Remote

August 2022 - October 2022

Software Engineer (student)

Innsite - [Github Repo](#)

Python | PostgreSQL | CSS | HTML | Jinja | JavaScript (AJAX, JSON) | jQuery | Bootstrap | React

- Developed an app that allows people to travel all around the world, stay in beautiful houses designed for working professionals and co-live with working professionals from all over the world
- Focused on user stories to provide an organized experience so the user can login, see their bookings, view each location and see the amenities that are provided
- Integrated the Google Maps API in order to show locations and allow users to make bookings

INTENTION & INSIGHT | Remote

August 2017 - present

CEO and Product Designer

- Worked with companies and developers to create scalable design solutions across all platforms
- Networked and built clientele by providing UX/UI skills as well as brand development
- Developed websites, logos and brand guidelines for my clients using Adobe Creative Suite, Wordpress, Squarespace and Shopify

CORRIDA | Boulder, CO

June 2021 - August 2022

Fine Dining Bartender (pandemic job)

- Crafted cocktails both on the spot for customers as well as for the restaurant menu
- Multitasked in a fast paced environment while I produced high quality results, created a positive work environment, and had meaningful conversations with anyone sitting at the bar.

RODWIN ARCHITECTURE | Boulder, CO

July 2017 - March 2020

Front End Web Developer/Designer

- Designed media alongside architects that showcased beautifully designed homes using Adobe InDesign, Photoshop and Illustrator
- Built and managed multiple websites using Squarespace and Wordpress
